

# 2025 IEEE 15th International Conference on System Engineering & Technology

4th October 2025

Berjaya Times Square Hotel, Kuala Lumpur

## Reviewer Appreciation Letter

### 2025 IEEE 15th International Conference on System Engineering & Technology (ICSET 2025)

**Dear Madasamy Raja Ganapathy,**

On behalf of the organizing committee of **2025 IEEE 15th International Conference on System Engineering & Technology 2025**, we extend our sincere appreciation for your valuable contribution to the peer review process.

Your thorough evaluation and constructive feedback have helped maintain the high academic standards of our conference.

<b>Reviewer</b>	Madasamy Raja Ganapathy <i>drgmrja@gmail.com</i> <i>Paavai Engineering College</i>
<b>Conference</b>	2025 IEEE 15th International Conference on System Engineering & Technology (ICSET 2025) <i>October 4, 2025 to October 4, 2025</i>
<b>Paper Reviewed</b>	<b>Integrating Deep Learning EfficientNet-B0 with U-Net Model in the Design and Prototyping of a Low-Cost Bridge Crack Detection Device</b>
<b>Review Completed</b>	August 9, 2025

Review Assessment

Overall Score:	8.1/10	Recommendation:	Strong Accept
Relevance & Originality:	8.5/10	Technical Quality & Rigor:	7.5/10
Clarity & Organization:	8.5/10	Literature Review:	8.0/10
Impact & Practicality:	8.0/10	Reviewer Familiarity:	8.0/10

Review Highlights

Your research article has the technical depth as solid, but there is limited discussion of potential failure modes (e.g., handling heavily corroded surfaces, low-contrast cracks, or extreme environmental noise). Please bring them into your focus in the future enhancements of the same research

Your expertise and dedication are invaluable to our academic community, and we look forward to your continued support in future events.

Sincerely,

Ramli Adnan
