

2025 IEEE 15th International Conference on System Engineering & Technology

4th October 2025

Berjaya Times Square Hotel, Kuala Lumpur

Reviewer Appreciation Letter

2025 IEEE 15th International Conference on System Engineering & Technology (ICSET 2025)

Dear Madasamy Raja Ganapathy,

On behalf of the organizing committee of **2025 IEEE 15th International Conference on System Engineering & Technology 2025**, we extend our sincere appreciation for your valuable contribution to the peer review process.

Your thorough evaluation and constructive feedback have helped maintain the high academic standards of our conference.

Conference	2025 IEEE 15th International Conference on System Engineering & Technology (ICSET 2025) <i>October 4, 2025 to October 4, 2025</i>
Paper Reviewed	EduBot: A Low-Cost Multilingual AI Educational Robot for Inclusive and Scalable Learning
Review Completed	July 2, 2025

Review Assessment

Overall Score:	8.3/10	Recommendation:	Strong Accept
----------------	--------	-----------------	---------------

Relevance & Originality:	8.5/10	Technical Quality & Rigor:	8.5/10
Clarity & Organization:	8.5/10	Literature Review:	7.5/10
Impact & Practicality:	8.5/10	Reviewer Familiarity:	8.5/10

Review Highlights

The authors exhibit a broad and deep grasp of the core technical, educational, and contextual dimensions of the project. Slightly more elaboration on AI/ML training processes and ethical considerations would elevate this to a full 10.

Your expertise and dedication are invaluable to our academic community, and we look forward to your continued support in future events.

Sincerely,

Ramli Adnan
